Dear Adult Protective Services Provider:

Effective April 1, 2004, TCM Adult Protective Services Providers will begin using the following codes taken from the National (HIPAA Compliant) Code Table. Please refer to Part II, Targeted Case Management Adult Protective Services Manual, Appendix F, for a detailed description and explanation of these codes:

1. Old Code Y5170 will be replaced by T2023

Claims submitted using the old codes for dates of service on or after April 1, 2004 will be denied. For questions regarding this message contact Nell Moton-Kapple, Adult Protective Services Program Specialist, at 404-657-7211. The Department of Community Health appreciates your continued participation in and support of the Georgia Medicaid and PeachCare for Kids Program.
